

game::penguin::PenguinGame
::checkStatus

```
graph LR; A["game::penguin::PenguinGame  
::checkStatus"] --> B["game::AbstractBoard  
::checkStatus"]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow pointing from left to right. The left box has a light gray fill and a black border, containing the text 'game::penguin::PenguinGame' on the top line and '::checkStatus' on the bottom line. The right box has a white fill and a black border, containing the text 'game::AbstractBoard' on the top line and '::checkStatus' on the bottom line. A solid blue arrow points from the right side of the left box to the left side of the right box.

game::AbstractBoard
